

WARNING KNEE KICKER

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. If any safety devices or warnings have been removed, defeated, defaced or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

DANGER! The retractable pins are extremely sharp.

Always wear eye protection when operating this equipment.

IMPORTANT SAFETY RULES TO FOLLOW

1. Knee kickers should be used for light carpet stretching, since hard kicking can be injurious to the user. Use a power stretcher in cases requiring more kicking.
2. When transporting the knee kicker, be sure that the adjustable pins are fully retracted.
3. Keep children away from the knee kicker as the gripping pins are very sharp and can cause serious wounds.
4. Do not use a knee kicker if the room is more than 9ft by 9ft.
5. The adjustable pins on the knee kicker should be adjusted out far enough to grip the backing on the carpet and not penetrate through and grip the pad.
6. On very short pile and tightly woven carpet it may not be necessary to extend the pins at all.
7. It is extremely important when bumping the kicker not to bump so hard as to separate the backing of the carpet.
8. Keep lint and small pieces of carpet out of the fine teeth under the adjustable pins. Clean by combing or brushing it clear.

⚠ WARNING: This product contains Chromium, from steel products, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. If there is any doubt as to the operation or safety of the equipment,

DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!!

FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH
